GIS

I would like to take this time to thank everyone for the fantastic school year. It has been great to feel so welcomed to the Cedarwood family. I am also very impressed with how hard the students worked and the great progress they made this school year. We should all be very proud of the students.

On Friday, June 9th, we will introduce the children to their next year's grade level teachers. Their 2017-2018 teacher will be posted on August 17th at Back to School Night. *In the past, we were able to let you know who your child's teacher was for the upcoming year, but these placements can be tentative and can change over the summer. We have several grade levels that could eventually be redistributing students. Our enrollment numbers are very high, which may lead to the need to balance classes over the summer.*

Parent Connect Re-enrollment forms will be open starting on July 10th-August 9th for the 2017-2018 school year. These are all of the emergency forms, student release information, contact information and district forms that need to be updated every year.

To access these forms, please go to the CUSD webpage, click on parents, Parent Connect. Sign in using your pin and password. Once you are logged in, please click on the Annual Re-enrollment BLUE link at the top to complete your annual forms. If you have forgotten your pin and password, you can access it by clicking on the "need password link" under the log in screen and it will be emailed to the email address on file. If your email has changed and you need your login information please come to the Cedarwood office with your ID to pick up your Pin and Password prior to the last day of school.

In order to ensure our students' safety, Parent Connect must be updated between July 10-August 9th. These forms need to be completed no later than August 9th to ensure class placement for your child. If all of your re-enrollment forms are complete by August 9th, your Hawk will receive a Cedarwood Hawk wristband and find out their classroom assignment on August 11th between 1:00PM and 4:00PM at the Cedarwood Main Office. All classroom rosters will also be posted on Back to School Night.

Please save the date, August 17, 2017 for our Back-to-School Night.
